

## Little Fishes Pre-School Newsletter – Term 6 June 2019

As the weather hots up (hopefully) for the last term of this school year, please remember to apply sun cream before pre-school and bring in a named hat.

### Holidays

Our theme for this term is ***Holidays and other places***. If you are going away, please do send us a postcard or bring in some photos. If you have any resources, or would like to come in to share anything with us, please let us know.

### How does your garden grow?

Next week (w/c 10/06/19) is the week to bring in your young plants that you have been growing for our bring and buy plant sale! Please bring them in early next week and we will have a table in the entrance. There will be flowers, vegetables and houseplants to buy – donations please.

### Half Term Challenge

Did you take up the challenge of finding numbers and shapes in the environment with your children? We would love to know.

### Going Wild

During sessions on a Wednesday, Vicki will be organising some Forest School style activities in our outdoor area for the children to join in with.

### Green Dragon Eco Farm Roadshow – Wednesday 3<sup>rd</sup> July

It is almost time for our visit from the GDEF Roadshow. We are hoping to have a great selection of animals visiting, including stick insects and guinea pigs!

The visit will be followed by a picnic in the garden if the weather is kind. If your child does not normally attend on a Wednesday, you are welcome to bring them in at 11am to join the fun.

**WE ARE ASKING FOR £4 PER CHILD TO PAY FOR THIS VISIT, PAYABLE BY TUESDAY 18<sup>TH</sup> JUNE.**

### Contact Details

Please keep us informed of any changes to you or your child's details – Telephone numbers, allergies etc

### Junk Modelling

Unfortunately, we have not had sufficient response regarding a family junk modelling day, so this will **not** go ahead on the 29<sup>th</sup> June.
