

Little Fishes Newsletter February 2019

Welcome back! We hope you all enjoyed the half term holiday and that you are enjoying the wonderful sunshine. This term our theme is 'It's nearly Spring and looking after our world'. We are also celebrating St David's day during the first week of term and learning about Easter towards the end of term. If you have any resources that might help us or would like to come and help during a session please do speak to a staff member.

Next week is World Book Day. To celebrate we are having a book week. We would love to have some parents or grandparents to come and read to the children – just in small groups. We would also love to make a display of your children's favourite stories so if you have any photos of your children enjoying books at home please bring them in. Thank you.

Our 'Bug Hotel' is taking shape outside in the garden. We are learning how important insects are and how to look after them. Thank you everyone who brought in sticks, fir cones and moss – the bugs are going to love it!

Thank you to everyone who has returned the questionnaire. If you have not returned it yet please do so as we really welcome your thoughts and comments.

As you know, we do ask for a voluntary donation each term for snack. This term there will be a box on the table by the children's names for you to pop your donation into. Thank you.

We will be supporting Comic Relief this year and it would be lovely if the children could come dressed in something red or wear something to do with Comic Relief at some point during the week commencing Monday 11th March for a small donation to Comic Relief.

If your child will still be at Little Fishes Preschool in September 2019 you should have received a 'required session' form from Sally. Please make sure you return this as soon as possible to help us with planning for next year.

On the entrance door to the preschool room there is our 'Achievement Tree'. We would love to hear about the achievements that your child makes at home. It might be riding their bike for the first time, recognising numbers on the road signs or any other 'wow' moment. Please take a leaf, pop a note on it and put it on the tree. Your child's Key Person will then add it to your child's learning journey file.

At the end of this term we will be issuing short learning and development summaries to you. During the week commencing 1st April if you would like to come in to look through your child's learning journey files please make arrangements with your child's Key Person. This will be an informal time in the pre-school room for you to look through the file with your child.
