

Little Fishes Newsletter January 2019

Welcome to 2019! Doesn't Christmas seem a long time ago?! Thank you all for the very generous cards and gifts you gave the staff – you are all very kind.

We raised a fantastic £477.64 with the Round Table Santa Float at the beginning of December. Thank you again to all those who came to help.

Thank you to everyone who gave a donation in return for some of our unwanted books – the vacuum fund is growing!

This term our theme is Noah's Ark. We will be learning the story and enjoying many activities and crafts related to this theme. If you have any resources that might help us with this and you would be willing for us to borrow them please speak to one of the staff. Next month we will also be learning about Chinese New Year and sharing the love on Valentine's Day!

If you would like to donate £5 towards your child's snack for the term please hand it to Sally as soon as possible, thank you.

Please remember if any of your contact details for example address, telephone numbers or email addresses change please make sure you remember to update us so we can update your child's records.

Information for next term!

World Book Day is on Thursday 7th March. We would like to celebrate this by having an emphasis on books and stories for the week. We would like to invite any parents or grandparents who would like to come and read to the children to join us at some point in the week. You would be very welcome for part or all of any session throughout the week commencing 4th March and we would encourage small groups of children to come to listen to a story with you. If you are able to come in, please let Nicky know. We would also like to hear about stories you enjoy with your children at home and their favourite books. We would love you to bring in or email a photo of the book you enjoy together so we can create a display of 'our favourite stories'. So get thinking and thank you!

If any of you still have not returned the parent's comments sheet, that was attached to your child's 'Caterpillar' progress sheet you received last term please could you return them as soon as possible – thank you.

Please ensure your child has suitable outdoor clothing with them each day including hats and gloves, we do aim to have some fresh air every day! Please also make sure each item is named.

SNOW!

Should we get snow, as on previous occasions, we will only close if the other schools in Brackley close.

We will confirm on Facebook if we are open or closed and if we do close, we will attempt to contact you by email and/or text message.
