

Little Fishes Pre-School Newsletter April 2020

Hello everyone,

Firstly, I hope this finds everyone well, safe and coping. What strange times we are living in. Please may I stress again that if you require any help with practical issues or any support in any way we are here for you – just send us an email;-

manager@littlefishesbrackley.org.uk

admin@littlefishesbrackley.org.uk

We would love to see what your children have been doing while we have been apart. Please continue to send us photo's. Someone has requested that the staff should show what we have been up to! Well you never know – keep an eye on our Facebook page!

I came across this the other day and thought I would share it with you. The songs are cheery and fun and there are some activities to have a go at too. Beware the songs get into your brain!

This is another website that you may find useful (I did include it in a previous email but worth repeating!). Some of you might find the article 'Planning for transition when schools are closed' particularly useful.

We sincerely hope that all this year's leavers have been allocated their school of choice. Please could you drop us an email to let us know which school your child will be going to if you have not already.

For those of you who have children remaining with us in September please let Sally know which sessions you would like for your child if you have not already done so. Thank you.

We have been emailing the Zoom link for the Brackley Baptist Church Sunday services. All future Sunday services at 10.30 a.m. will require this link. It will remain the same each week. If you fancy joining us from the comfort of your own home, we would love to see you.

We do not know when we will be open again but we will continue to keep in touch and we will obviously let you know as soon as we have any further news about reopening. In the meantime, stay safe and do keep in touch, we love hearing from you.

With love from the

Little Fishes Pre-School Team x
