

Little Fishes Newsletter February 2020

Welcome back and we hope that you enjoyed the half term break despite the weather!

This term our theme is 'People who help us'. We will be listening to the story from the Bible of the Good Samaritan and learning how we can be good helpers. We will also be having visits from the Police, Firefighters, a nurse and a Dental Hygienist! We are also going on a trip to the Library on Thursday 5th March, which also happens to be World Book Day. There will be permission forms for you to complete if your child attends on a Thursday.

We are also organising sessions including Rugby Tots and a visit from staff from the Leisure Centre during 'Sports Relief' week – these people help us to keep fit! We will also be learning about Easter and how much God loves us. It's going to be a busy term!

The next 'Coffee and Chat' meeting will be on Wednesday 1st of April (it's not a joke!). These times are a great opportunity for you to have your say about future plans and ideas as well as time for us to pass on information and get to know you all a little better. Please do come along – we meet after morning drop off and there will be Hot Cross Buns!

At the end of this term we will be issuing short learning and development summaries to you. During the week commencing 30th March if you would like to come in to look through your child's learning journey files please make arrangements with your child's Key Person. This will be an informal time in the pre-school room for you to look through the file with your child.

As you know, we will be opening for two afternoons after the Easter holidays on Mondays and Wednesdays. If you have not booked your child for an afternoon session and you would like to please speak to Sally as soon as possible. Afternoon sessions will be every day from September 2020.

Please give your voluntary contribution for the children's snack to Sally. Thank you.

Please continue to send your children with appropriate clothing to go outside. They do get cold so gloves and hats are a good idea.

Dates for your diary

- Opportunity to look through your child's folders – w/c 30th March
