

Little Fishes Pre-School – June 2021 Newsletter

This Term our theme is Transport

If we have any parents with an usual mode of transport that they could bring in to show the children, please let us know. Last year we were lucky enough to have a visit from an F1 car.

Children's portfolio folders

Please can we remind any parents who still have their folders at home, to please return them to us asap. Those of you whose children will be moving to reception in September, will receive your folders to keep very soon.

Questionnaires

Thank you to everyone who managed to complete our questionnaire. One of the issues which was highlighted was knowing how to help your children at home, Nicky will be putting something together on this and has highlighted some useful websites:

<https://hungrylittleminds.campaign.gov.uk/>

<https://www.oxfordowl.co.uk/>

We also hope to be able to resume more conversation with key workers in the near future.

Sun hats, Sun Cream & Wellies

It might sound like an odd combination, but can we please ask that children have sun cream applied before arriving, a sunhat in their bag and still have wellies. There might not be any muddy puddles, but we do have a new digging area, which is proving very popular with the children and is definitely best used in wellies!

Can we also please remind you that no sun cream should be left in the children's bags. If they have a sun cream which needs to be re applied during the day (this should only be children staying a full day), please pass it to Sally in the morning who will ask you to complete a form for permission to apply it.

New Gazebo

Thanks to everyone who added to and bought from our plant sale, we were able to use the money towards a gazebo for the garden. It gives us a covered area outside which has proved useful in all weathers, but is especially good in this very hot weather to provide some much needed shade.

Last day of term – Friday 16th July

We have arranged for Lee from OSTMA Karate to come and have some fun with the children on the last day. We are also planning a small celebration for the leavers, which we will update you on soon.

There will be no lunch club on the last day of term and the school day will end at 12 noon

Friday afternoon sessions 2021/22

We are very close to now having enough children requesting a Friday afternoon to make it financially possible to open. If you would like to add a Friday afternoon to your child's sessions for September 2021, please let Sally or Nicky know by Friday 18th June so that we can make a final decision on this.
